

# MAKSTEEL

POWERED BY **UPG**

Founded in 1970, Maksteel takes pride in being a world class steel service center. With locations in Canada, California, Michigan and Tennessee, we provide an extensive inventory of flat rolled coil products. This growing list includes stainless, aluminum, hot rolled, cold rolled, and galvanized. Our ability to consistently exceed our customer's expectations continues to be the foundation of our success.

Maksteel is customer-focused and dedicated to providing quality service. All of our facilities meet or exceed ISO 9001:2015 quality system standards. Our commitment to quality ensures our customers receive the industry's highest quality steel.
